RECEIVED  
APR 29 1997  
GROUP 2500

Enclosed is the original executed copy of the above-identified application, including specification and claims, declaration and formal drawings.  
Please enter this document in the application file and substitute the formal drawings included herein for the drawings that were filed on February 29, 1996.

The copy of the application filed on February 29, 1996 was a facsimile copy of the enclosed original executed application. Thus, as certified below, the enclosed application is a true and correct copy of the application as filed.

CERTIFICATION

The undersigned, an attorney registered to practice before the U.S. Patent and Trademark Office, certifies that the application (including specification, claims, Declaration/Power of Attorney and drawings) filed on February 29, 1996 is a true and correct copy of the original application which was executed by the inventors on February 19, 1996 and is submitted herewith.

I further certify that the application submitted herewith is the original application referenced in the enclosed Declaration/Power of Attorney, which is attached to the enclosed application.

Respectfully Submitted,

Steven E. Koffs  
Paul F. Prestia, Reg. No. 23,031
